Heather,

I spoke with Chambers and they said that they intend to enter the order requested yesterday. I don't believe we are comfortable consenting to you filing the statement described below, but we also cannot stop you from filing anything on the docket.

Dear James:

This will confirm that there has been no response from you in regards to the correspondence sent yesterday.

As you are well aware, and in one of the more surreal moments of my career, I had the bizarre privilege of attending the hearing yesterday in "listen only" mode due to the decision of an employee at Court Net to refuse me access to the hearing.

This is to request by stipulation and/or agreed Order that prior to the submission of the Order as stated by Judge Glenn, I be given leave of Court to file a Statement of Oral Argument so that my Response is in the record. This is NOT a request for the Judge to Reconsider his decision, but is a supplement to the records PRIOR to the Order being entered.

I am reaching out to you to take care of this by agreement in lieu of a formal Motion. The Statement of Oral Argument will not prejudice your client in any way and again, is not a request for the Judge to Reconsider his decision.

Thank you in advance for your time and attention to this matter.

Heather

James:

When you get a chance, would you call me today about this.

By the way, you did a fine job. I remember the advice of Prof. John Leathers- Civil Procedure: "Remember one thing, you have to be present to win."

Ms. McKeever,

I do apologize, but it does not state that approval has been granted for a live line on this document. The procedure for this specific Judge is to contact them prior to the hearing to be granted a live line if wishing to appear.

Regards,
Cassandra

Dear Ms. Scott:

Just so you know, due to the failure to connect me live, I got to listen to my oral argument and was announced by Judge Martin Glenn as "no show." You need to put me on live ASAP so that I can inform the Judge the failure was on your part and try to get him re-hear it before the hearing is adjourned.
